Infodent International Advertisers

All classifieds we receive will be verified. Any fraud or incorrect behavior will be reported to the competent international authorities.

As a consulting agency we can only guarantee the reliability of classifieds carrying our world logo, since they are our customers and we are aware of their proven seriousness.

• For further details please write to **classified@infodent.com**
You can contact us directly for more information concerning products or classifieds listed. We will act as a bridge to facilitate the exchange of information between you and the advertiser

Lares Research, a U.S. manufacturer of innovative dental handpieces is seeking international distributors. Lares recently introduced the Pastel Plus prophylaxis handpiece which is the smallest, lightest, and most ergonomic prophylaxis ever designed. In 2019, Lares introduced Fluoresce HD, the world's first dual wavelength LED swivel coupler enabling dentists to choose between white or 405 nm (UV) LED light output from their air turbine. Fluoresce HD is compatible with all the Kavo connection handpieces such as the Lares ProStyle SF (1 yr. warranty) and Legacy 5 dentistry's first five-year warranty high speed handpiece.
