The Distributors Wall

Looking for distributors? Interested to deal new products and improve your business?
 These are the pages for you: announcements of companies and distributors searching for each other.
 Your next partner is already waiting for you. Write to classified@infodent.com to be in the next issue.
Always free for distributors!

All classifieds we receive will be verified.
 Any fraud or incorrect behavior will be reported to the competent international authorities.

As a consulting agency we can only guarantee the reliability of classifieds carrying our world logo, since they are our customers and we are aware of their proven seriousness.

'KERATOR' overdenture attachment rises in aging age
 The demand for 'overdenture' has increased significantly due to the increase in elderly people who are unable to wear regular dentures due to poor oral conditions, and is emerging as a new blue ocean in the dental world. "KERATOR", an overdenture attachment presented by Daekwang I.D.M has been selected as one of strong recommendations in these indications. Compatible with all implant systems, KERATOR has two product families: implants and natural dentitions, allowing dentists and patients can have the choice for their rehabilitations. Contact: overdenture@kerator.com - www.kerator.com
