 For 125 years, **Richmond Dental and Medical** has been manufacturing quality dental products. Headquartered in Charlotte, NC, we are vertically integrated with our cotton supplier. Our made in the USA, superior quality, braided cotton rolls are the most absorbent and do not stick to the mucosa. They may be used anytime a dry field or retraction is needed. In addition, Richmond's Braided Rolls can be used during fillings, crowns, sealants (on lingual side), occlusal adjustments, and root canals. Our 4" and 6" length braided rolls may be used for whitening and full arch reconstruction. Richmond's Wrapped Rolls wick moisture; do not stick to the tissue; and are manufactured in the USA from US grown, purified cotton. Our made in the USA, autoclavable, infection control dispensers are perfect for Richmond's 1.5" cotton rolls. Please visit our website [www.richmond dental.net](http://www.richmond dental.net) to learn more about our single use disposables and infection prevention dispensers.
