■ We are specialized in helping medical equipment manufacturers from ASIA to establish in EU. And the opportunity to mark the products as "Made in Portugal" may open many doors. We will be a partner in the daily activities, for a very affordable price. Many markets (unfortunately) don't accept equipment made in Asia (China, South Korea, etc...) but if you have an office in Europe, with after sales services and stock in Europe, that is a game changer for you.
